## DAVID GODDARD

an executive coach and leadership development expert, enabling leaders to succeed and get the best out of their teams

“Varying exercises and hands-on training kept everyone focused. Very practical tools I can use immediately.”

## SATU-MARI JANSSON

Doctor of Education, is a coach and trainer who helps people to find the best in themselves using drama, workplace theatre and improvisation

“We dealt with real-life situations - it led to an unmistakable 'awakening' or 'realisation' in our team!”

## NICK VERTIGANS

an accredited coach, trainer and speaker who helps people & teams to develop successful habits and better results.

“Thank you for giving me the best programme ever, it was amazing. I learnt many things and I know I'm doing a better job.”

## TRANSFORMATIONAL COMMUNICATION AND INFLUENCING SKILLS FOR LEADERS

Find your hidden potential to create an impact. Create game changing presentations to change hearts and minds. Develop and apply the habits to deliver consistently effective messages. Build stronger connections and relationships with the people you need to influence.
